## **DISCOVER OUR ORMIG 55-60 IE**

**A Strong And Compact  
60T Electrical Crane**

This ORMIG 60T electrical crane has reduced overall dimensions and remarkable performances for handling work in internal and confined places. It's clean, silent and has an extraordinary capacity.

It's equipped with non-marking tyres and has all the available options, such as special uy-jibs, a fix hook at boom top, forks and radio remote control
